

The Makita logo is displayed in white, italicized font on a red rectangular background.

Band Saw
LB1200F

Satisfy Professional's Needs

The Makita logo is printed in white on the teal-colored upper housing of the band saw.A teal and grey Makita LB1200F band saw is shown in a workshop setting. A large wooden beam is being cut by the saw. The machine features a red emergency stop button and a power switch on the left side. The background is a bright, slightly blurred workshop environment.

***New partner
for your workshop***

Expand your working capacity

Cutting capacity
165mm (6-1/2") **305mm (12")**
Maximum height **Throat width**

LED job light switch

Anti-restart function
 (for countries where regulations require it) prevents accidental startup for safety even if the machine is plugged to power source with the switch on.

Easy-to-Read Scale
 with large graduations and magnifying lens.

Wheeled stand for easier mobility
 Stand with two caster wheels and a lifting handle adds mobility for convenient repositioning of the machine.

Quick-release tension lever for tool-less easy blade change
 allows to easily loosen or tighten the band saw blade without using tools.

LED job light
 6 LEDs illuminate working surface for easier cutting in dark places.

Bevel cutting
 base can be tilted up to 45-degrees.

Easy connecting with vacuum cleaner
 Both 63mm and 100mm hoses can be connected.

High / Low speed selection
 selection for excellent results in both hard and soft wood

Dust box
 keeps the work place clean.
